

Nolan's Potter's House Ministry

SUMMER 2018

"Making disciples of all Nations..." Matt. 28:19 "...until Christ is formed in you" Gal. 4:19.

On July 1st I will be returning to the African nation of Uganda. This will be my fifth trip to east Africa. Last summer my ministry tour kept me in Belgium and Eastern Europe, visiting seven countries in total.

This summer I will be focusing mostly on Uganda, before going onto Ukraine. Four years ago the Lord sent me back to Uganda with a specific task of starting a pottery studio in the city of Jinja (Uganda's second largest city). In the previous

year, while ministering throughout Jinja I had noticed there were no potters in the city. So I set up a studio and immediately began teaching young Ugandans the art of wheel thrown pottery.

That gave birth to what is now Genuine Jinja Pottery. It gives me much joy to see that the potters I trained are still working their pottery wheels and firing the kiln I built for them. Jinja Potters

This year I will be bringing them another pottery wheel, maybe two. I will also bring some technical equipment to aid in their firings.

I hope to train a few new potters and continue developing the skill level of the existing potters. I will be in Uganda for the entire month of July.

Pottery workshop near Jinja, Uganda

It is a spiritual work, I believe, as this is how the Kingdom of God manifest "on Earth as it is in Heaven".

While there I will be ministering in many churches and schools

"The harvest truly is great, but the laborers are few; pray you therefore the Lord of the harvest, that He would send forth laborers into His harvest"
Luke 10:2

in and around the City of Jinja. We will also take the opportunity to hold evangelistic events and outreaches. The potter's wheel is a highly effective tool in evangelism as it both draws the crowds and visually communicates the Gospel. You too can be a beautiful vessel of the Lord, but you must first surrender. The Lord has blessed this work in Uganda, the fruit of this labor has increased every year since it began. Please, consider joining me in this Kingdom work.

Greatest audience in Uganda are children

Cost of the trip:

Flights and extra baggage is about \$2000
 2 portable pottery wheels \$800
 Inter Uganda travel, housing \$1500
 Home-base overhead \$1000. Total: \$5300.

Any additional funds can extend my trip as I have ministry opportunities in the nations of United Kingdom, Belgium, and Ukraine.

Potter's message transforms lives of Ugandan people

Please, send your financial gifts to The Potters House of Panama City. (tax-deductible).
 2011 W23 court Panama City FL 32405.
 Also, please, consider donating sky miles!
